## To the

ELECTORS

OF THE

TRENT DIVISION.

GENTLEMEN.—Mr. Smith retiring

from the Legislative Council, cannot

the necessity of an election to fill the

vacancy.

At the earnest request of my old friends

and supporters, combined with the strong

feeling of a large number of those

who voted against me in 1861, I

have consented to allow myself to be placed

before the Electors of the Trent

Division.

As my canvass in 1861 has not been for

gotten, and the time is short that I could

not possibly do justice to any portion of the

division, in attempting to meet you in the

various localities, I trust you will excuse

me, and that you will see the necessity of

at once forming your working committee,

in order to be prepared for the Election

should there be a contest.

The main question before the Country,

such as Representation by Population,

our Common Schools, the thorough

organization of a sufficient force for the

protection of our noble country, a due regard

being paid to that economy which will be

necessary under the present state of the

Finance, and that for the very best

interests of the Province, in the various

departments of the Government,

in order to bring the income of the

Province to a state of economy, with a

view to lessen the burden at present im-

posed upon the people, by indirect taxation

on the necessities of life—no further aid

to be given to the Government, and to

the country from ruin—all of which will

command my attention.

I shall meet as many of you as I can

at my residence, at Belleville, on the

6th of July next.

Yours, &amp;c.

WILLIAM SMITH.
